

L&T Infotech

L&T Infotech is the ‘Distinguished Service Supplier’ award winner, says Freescale Semiconductor

Mumbai, July 01, 2010: L&T Infotech has been honored with the Distinguished Service Supplier Award for the past year by Freescale Semiconductor, one of its esteemed clients for eight years. The Award is given to a company that demonstrates superior service.

Freescale is a leading, US-based multibillion dollar semiconductor design & manufacturing company. During the course of the long association between L&T Infotech and Freescale, the former has provided, among other things, SAP Global Support across 487 locations spanning more than 30 countries including the USA, Europe & Asia supporting 10000+ users; Application development, enhancements and maintenance services on all platforms and business process; has partnered with the IT organization to implement large Business Transformational Programs such as Enterprise Business Intelligence, Re-engineering of the Website, Supply To Market and Product Data Management.

“We understand the commitment it takes to achieve this level of performance excellence in the areas of cost, quality, delivery, service and technology. On behalf of all of us at Freescale Semiconductor, I would like to personally thank you and your L&T Infotech associates for your outstanding contributions,” said Mr. Bill McKean, Vice President, External Manufacturing & Chief Procurement Officer, Freescale Semiconductor.

“ This Award underlines L&T Infotech’s strengths in being able to provide that special Business-to-IT Connect to all its clients. We are extremely happy and honored to have received this prestigious Award from one of our most esteemed clients. I compliment the team which has brought this honor to the Company,” said Mr. Sudip Banerjee, Chief Executive Officer, L&T Infotech.

Mr. K. R. L. Narasimham (Center), Executive VP & Country Manager, USA, Larsen & Toubro, after receiving the award. Mr. McKean is at extreme left and Mr. Rich Beyer, Chairman & CEO, Freescale Semiconductor, is at extreme right.
