L&T Infotech Awarded TOP SAP PARTNER in the ‘STRATEGIC INDUSTRIES’ category

Mumbai, August 25, 2015: L&T Infotech, one of India’s global IT services and solution companies, won the coveted SAP Partner Award in recognition of the work done in the “Strategic Industries” category last year.

The SAP Partner Awards are awarded annually to companies that have excelled in implementing SAP solutions to help enterprises, organizations and customers accomplish their business goals.

The awards are presented across 21 industry categories to the top SAP Partners who have developed and strengthened their alliance with SAP to drive customer success.

The eventual winners are picked after a rigorous evaluation process that takes into account field recommendations, customer feedback and various other performance indicators.

The SAP Partner Awards are a mark of recognition to the entire SAP Partners community and their role in taking technology solutions into the local markets. These awards are an accreditation to the SAP Partners for their relentless efforts in helping enterprises, organizations and customers accomplish their business goals and achieve success by deploying a range of SAP solutions.

Speaking on the award, Mr. Sanjay Jalona CEO & MD, L&T Infotech said, “We offer a comprehensive suite of services covering the entire SAP lifecycle. This award is a testimony to the successful implementations in diverse industry sectors which we have undertaken. Our partnership with SAP has helped us expand our capabilities to address the complex requirements in these sectors.”
