

LTI Inaugurates Global Delivery Center in Johannesburg

Mumbai, June 27, 2018 - Larsen & Toubro Infotech Ltd. (NSE: LTI, BSE: 540005), a global technology consulting and digital solutions company inaugurated its latest global delivery center in Johannesburg. The 30,000+ sq. ft. state-of-the-art center with a capacity of 250 seats will help the company expand its operations in South Africa across all sectors.

The center will provide an agile environment to create and deliver cutting-edge digital solutions for clients in the areas of Big Data, Cloud, SaaS, IoT and Digital Transformation. Customers will also experience the convergence of physical and digital world at the latest Mosaic Experience Center coming up at this location. The center features a 24x7 Command Center to monitor and support infrastructure, network and security of customer operations.

Inaugurating the new center **Sudhir Chaturvedi**, President Sales and Executive Board Member, LTI said, "South Africa is a strategic growth market for us and this center underscores our intent to grow aggressively in this region leveraging local talent. We see significant opportunities to grow across banking and finance, manufacturing and energy & utilities sectors."

Located in the prime commercial area of Rosebank, the new LTI delivery center is situated in a 4-Star Green Star Office Design rated building with 74% of the usable area in direct line of sight to the outdoors, unhindered by surrounding buildings.

LTI has operations in 27 countries and grew an industry-leading 16.7% y-o-y in the last financial year.
